Park Royal City Buenos Aires is in the Retiro neighborhood, one of the city's gastronomic poles. The most emblematic places in the city are within walking distance. Our guests will enjoy the location and the spacious rooms. A highlight of your trip will be the night walks in the lively and safe area around our hotel. We are only two blocks from Plaza San Martin and La Florida Street.

Buenos Aires

The capital of Argentina is a cosmopolitan city, vibrant, and engaging year-round. It is in the country's center-east, on Rio de la Plata's western bank.

One of the city's endearing customs is to enjoy a good "mate" or to have coffee and an excellent conversation in one of its many bars.

Tango, soccer, shopping, art, and incredible gastronomy in one of the most beautiful cities globally, in Buenos Aires, the options are unlimited.

From [Park Royal City Buenos Aires](#) unbeatable location, the city invites you to discover its historical monuments, fabulous cafes, and cobbled streets in an atmosphere surrounded by history and art.
